PENTLAND PLANTS

YOUNG PLANT CATALOGUE 2025

Young Plant Catalogue
2025

TERMS OF BUSINESS

- (1) **Ordering:** **BY POST:** All orders will be confirmed promptly
BY PHONE: Our office is open 9.00am-5.00pm Monday to Friday
Head office: 0131-440 0895 * Option 2 Sales * Option 5 Credit Control
Sales hotline: 0131-440 3455
ONLINE: At www.pentlandplants.co.uk
- (2) **Discounts:** (a) Cumulative Quantity Discounts – This means the more you buy the better discount your orders will attract. Our discount year runs from 1st November to 31st October for deliveries and our computer system automatically adds all your orders together, no matter when they are placed, to give you the best possible discount.
1-50 trays catalogue price; 51-100 trays 2.5%; 101-200 trays 5%; 201-300 trays 7.5%; 301+ please ask for a quote.
(b) Payment with order discount – 5%
(c) Early order discount – for orders placed before 15th November 2024 less 5%, for orders placed before 31st December 2024 less 2.5%. All orders for delivery in 2025.
(d) Cash and Carry discount – 5%. Collections strictly on Friday only from 9am-3pm.
(e) Loyalty discount – If you bought plugs from Pentland in 2024 please deduct an extra 2% discount from all orders placed for delivery in 2025.
(f) Discounts do not apply to royalty, labels, delivery charges and VAT.
- (3) Orders are accepted subject to plants being available from our own stock at time of delivery. The nearest equivalent variety will be substituted if any variety is not available unless orders are clearly marked 'No substitutes'. All despatch dates are target dates and we reserve the right to vary delivery dates according to weather conditions and other factors outwith our control.
- (4) The minimum carriage paid order for any one delivery is six standard trays, assuming they can all be delivered together, and orders less than this will have a surcharge of £10.00 per delivery. Four trays of 25's are equivalent to one standard tray, 25's must be ordered in multiples of four. Redelivery charges will apply. AM delivery option available at additional charge.
- (5) Prices exclude VAT but include packing and delivery to mainland UK. Deliveries to Eire, N. Ireland and the Highlands and Islands by arrangement. Northern Ireland & Republic of Ireland - FCA Incoterms on all deliveries. Delivery charges, inspections fees and export fees excluded from catalogue and quote prices. CHED-PP applications on TRACES NT must be completed by the purchaser. Please contact our head office for further information.
- (6) **Please send payment with order unless you have a credit account with us.** If you wish to open a credit account please ask for the necessary forms. We accept payment by all major credit and debit cards except American Express.
- (7) Credit Terms – All credit accounts are due for payment net 30 days from the date of invoice. Interest at the rate of 2% per month will be charged on overdue accounts. If credit terms have not been approved payment is due with order. In addition if the Customer defaults on payment the Company reserves the right to place the matter in the hands of their debt recovery agents, without prior warning in writing, and shall be entitled to a full reimbursement of any fees or disbursements paid to the debt recovery agent to aid recovery of monies outstanding to the Company.
- (8) Cancellations – All cancellations must be in writing. If an order is cancelled less than three weeks prior to the delivery date we reserve the right to charge 90% of the invoice value plus VAT. See page 80 3.4.
- (9) A restocking fee of 10% of the label value will apply to any labels returned as not required. Labels are automatically added to all orders for cutting raised material. Please ensure it is stated at time of ordering or prior to label dispatch if you do not require these labels. Cost of postage/carriage of the return of labels will be incurred by the purchaser
- (10) We reserve the right, by giving notice at any time before delivery, to increase the price of Goods to reflect any increase in the cost to us (the Seller) of producing the Goods which is due to any factor beyond our control. This may include but is not limited to cost-push inflation, import duties and currency exchange rates.

Pentland Plants Ltd is an accredited grower under the Ornamental Horticulture Assurance Scheme (OHAS, previously BOPP). This is your

guarantee that all aspects of our nursery business are run to very high standards ensuring that you will receive quality produce.

As an accredited grower we are inspected once a year. Pentland Plants must prove compliance with all parts of the special nursery manual to keep the accreditation mark. The nursery manual covers all aspects of the business, from growing procedures right through to customer care and environmental concerns.

By being in the scheme we hope it will give you added confidence in our quality produce standards of care.

Privacy policy

Here at Pentland Plants Ltd we take your privacy seriously and will only use your personal information to administer your account and to provide the products and services you have requested from us.

We will automatically remove you from our postal marketing mailing list if no orders have been placed in the last two years. You will automatically receive a copy out your sales review for the previous year. You will not receive a copy of a sales review if no order was placed in the previous year. You can request a copy of our catalogue or previous sales reviews at any time.

The accuracy of your information is important to us. If you change address, email address or if any of the other information we hold is inaccurate or out of date, please email us at sales@pentlandplants.co.uk or telephone on 0131 440 0895 to allow us the opportunity to correct or archive this information. You can also write to us at Pentland Plants Ltd, Pentland Nurseries, Pentland Mains, Loanhead, Midlothian, EH20 9QG if this is your preferred method of contact.

Our privacy policy is available to view on our website www.pentlandplants.co.uk.

Pentland's People

A bit about us!

Located beneath the splendid rolling Pentland Hills in Midlothian, Pentland Plants is more than just a young plant nursery and garden centre. Passion, experience and an understanding of growing plants have earned our family-run business a reputation for quality, experience and innovation. Premium quality plants, excellent service and advice remain at the heart of our business.

Richard, Carolyn, Hilda and David Spray

The Pentland Team

CASH AND CARRY! FRIDAY ONLY 9AM-NOON

We have cash and carry each Friday at Pentland Plants starting on 21st February through to the 2nd May. We may have some cash and carry items on Fridays from the beginning of August to the middle of September. The cash and carry is open from 9am until 12 noon.

Please contact our office before travelling to check cash and carry is open and operational, if in doubt, to avoid disappointment, especially in the Autumn.

You can come and browse through our surplus stock of plugs and top up on any extra plants that you may need. There is a wide range of varieties and colours available as full and part trays. Availability changes

David Spray and Jackie Clark

from week to week and specific plants cannot be guaranteed. Plants are sold on a first come, first served basis.

There is a minimum spend of £25.00 including VAT. Payment by cash or card only.

If you are close enough to drive to us then it is definitely recommended as there are fantastic savings to be had!

Our team look forward to meeting you.

Customer Care

We are very aware of how important it is for us to have the closest possible contact with you, our customers.

We attend all the major trade shows each year and are always delighted to discuss your requirements.

If you attend any of the shows please stop by and say "hello" so we can put a face to the name should you telephone us.

Our technical sales representatives will be pleased to help you plan your crops and select the best varieties. Please contact them directly if you wish to arrange a visit.

Summer Colour for extra sales

From our own experience in our garden centre, we are finding an increase in sales of herbaceous perennial plants in 1, 2 and 3 litre pots to flower throughout the summer period.

A catalogue has been provided alongside this plug catalogue to show you most of the varieties which will be available as 28 cell plugs. Plugs will be available from week 2 to 4 2025 in a 28 cell tray which are 6cm diameter cells ready for potting straight into a 1, 2 or 3 litre pot depending on the variety. We suggest these are potted directly into the pot with compost with added 6 month control release fertiliser.

The perennial plug price list can be found at the back of your perennial catalogue or contact your Sales Representative or Head Office for a full list of available varieties. Alternatively, visit our website www.pentlandplants.co.uk and view the "Current Availability" to see which varieties we have on surplus at the moment and coming through in future weeks.

Coloured labels can be supplied at an additional cost for all the varieties available in 28 cell trays.

Please ask your Area Technical Representative or our Head Office for details.

New for 2025

We are in the fortunate and fairly unique position at Pentland in that we have a garden centre as well as a young plant nursery so everything we offer in our catalogue is tried and tested in our own retail outlet. We hold our own comparative trials at our nursery in Loanhead, featuring new and exciting varieties, old favourites and similar series. This means we offer you the very best selection of varieties from the world's best breeders.

Which Pansy variety to choose?

It is generally accepted that no one breeder has all the best varieties or colours. We have put together a collection of our choice offering the best uniformity, flower size, colour, weather tolerance, etc, covering all the major colour groups and can highly recommend this to you. For autumn and winter flowering the multi flowered varieties such as Panola XP and the larger flowered varieties are reliable and popular. These are best transplanted from plugs throughout the summer to give a succession of plants showing colour for sales in September, October and November. The large flowered varieties can also be transplanted in late autumn and over-wintered cold for early spring sales in flower. Pansy Pentland Large Flower is also available in weeks 2-8 as 230 trays ONLY.

For autumn and spring flowering hanging baskets we recommend Cool Wave.

Pansy (Summer Flowering)

LITTLE AND OFTEN!

25 PLUG COUNTS ONLY AVAILABLE FROM PENTLAND PLANTS

Cutting raised section items shown with a 25 tray option only

At Pentland Plants, we understand that not everyone wants a lot of one single colour in one drop, especially if you are a grower/retailer who needs to offer a little bit of something for everyone who walks into your garden centre.

We pride ourselves on being able to offer you our 25 trays which allow you to mix and match the varieties supplied in this tray size in our cutting raised section. All the plugs will be 3cm in diameter.

Until 2019, we had supplied the four “trays” of 25 plants in one singular tray of 104. In 2019, we offered the 25s in singular strips which lift out of a plug base tray and had great feedback from you. We are pleased to continue to use this tray format for the coming season.

New to 25s?

If you have ordered 25 trays from us before, you will know what to expect and we hope you love the tray format as much as we do. If you haven't ordered the trays of 25 before, here are a few benefits of choosing the 25 tray.

Mix and Match

You can mix and match between all the varieties offered in 25s. You can have four trays of one species but in four different colours ie four different Calibrachoa or you can have a mixture of species ie one Calibrachoa, one Fuchsia, one Petunia, one Verbena. There are so many combinations available!

Flexibility

These trays will allow you the flexibility of having a succession of various species and colours running through your production throughout the season should you take them over more than one delivery.

Try new things!

The 25 trays gives you the opportunity to try new products. If you are unsure if that weird and wonderful new colour will suit your needs or if a new and improved series is comparable or better than the one you have always had, just try 25!

Where products are available in 25 tray counts, these will be listed in the catalogue with optional delivery weeks, price per tray (strip) and price per plug.

No maximum numbers

There is no limit to how many you can order! However, we would ask that the total number of trays on each of your deliveries should be devisable by four. Filling a full base tray helps to keep the tray level in the box during shipping so the plants arrive safely with you.

Easier to handle

Our new tray makes things easier for you to handle when you receive your delivery. This allows you to take your trays and divide them up however you wish.

HANGING BASKETS AND CONTAINERS

In the past, we have been asked to provide recommendations on products which grow harmoniously and offer an excellent summer long display of colour.

This year we have provided details on pages 76-78 of three combinations which have been tried and tested by one of the Breeders we offer products from. We feel they work well together to give outstanding displays and these three recipes really impressed us at the FlowerTrials this year when we visited.

All varieties used in the combinations can be found in this catalogue and are available in 100 cell trays and 25 cell trays.

Below are the combinations potted into a 30cm (approximately) diameter container with one plug of each variety listed on the recipe page.

Recipe 18

Recipe 29

Recipe 33

We've also added more new and improved Trixis to our range. Trixis are three varieties grown together in one plug. The result is an instant high-quality and colourful product in perfect colour combinations. The single species types are easier to grow as all 3 items can be treated the same and tend to have a uniform flowering time. Plant in pots, troughs or in hanging baskets. You can find our Trixi range on pages 68-73.

Blue Baroque

Compact BeeBay

Compact Red Joy

Petticoat

Every year, we trial single variety pots to see which products offer excellent garden performance as well as good value for money. This ensures that we offer you those varieties we feel are the best varieties on the market from the World's best Breeders. Find a few of these recommendations on page 79.

Scopia Gulliver Compact. A firm favourite of ours. We have been growing this series for our garden centre in 1 litre pots for the past few years. The series has a controlled habit which stays compact in the pots. However, when planted into larger pots and baskets it will grow with an impressive flat tight habit.

Produces an abundance of flowers which cover the plant.

Early Love - Large, double bicoloured flowers on short stems.
Scented, hardy variety. Royalty 4.5p and Label 5p

Early Love

Peach Party - A hardy Dianthus suitable for various pot sizes with a long flowering period of up to ten weeks depending on the care of the plants. The next flush of flowers follows a few weeks later. Produces an abundance of highly attractive, small apricot-coloured flowers in the Spring. In the Summer these flowers develop a strong red eye which contrasts nicely against the lighter apricot edge. Scented. Royalty 4.5p and Label 5p

Peach Party

Pink Kisses - First year flowering, hardy perennial. Small, slightly scented pink bicolour flowers. Very early to flower and easy to grow. Royalty 5.5p and Label 5p

Pink Kisses

Purple Wedding - A hardy Dianthus which produces an abundance of flowers and flower buds which are backed by dark green foliage. This eye-catching variety has flowers which are comprised of three different colours. Suitable for pots up to 12cm. Scented. Royalty 4.5p and Label 5p

Tumbao

Tumbao. Excellent summer performance. Vigorous growing zonal with an XXL Geranium temperament. Bright flowers contrast beautifully against the dark green foliage and strong zoning. The original Tumbao with hot red flowers is an RHS Award of Garden Merit winner. Extra Pink '25 and On Fire '25 are improved versions of the Moonlight Tumbao varieties. These are more vigorous and comparable with the original Tumbao XXL temperament. Royalty 4.5p and Label 5p

We like to plant our Trixis for our garden centre sales into 1 litre pots and various sizes of hanging pots to give our customers plenty of options. Each Trixi contains three different plants and by planting into colour co-ordinated pots with matching hangers it gives the customers an attractive instant hanging basket

Star Performers

Below are a very small selection of items we feel you should try in 2025 if you haven't already. The garden performance is something to be admired and we think you and your customers will love them. Our outdoor trials have shown these varieties to be consistently excellent performers which also offer value for money in terms of flowering time and show of colour.

Argyranthemum Everest

Bacopa Scopia Gulliver Compact

Begonia Big

Begonia Bossa Nova

Begonia Non-Stop

Bidens Golden Empire

Gaura Belleza

Geranium Tumbao

Geranium Marcada

Lobelia Curaçao Compact Blue Bay

Nemesia Nesia

Petunia Capella

Petunia Alpetunia

Scaevola Surdiva

Trixi

1 The photograph in our catalogue does not do this product justice. It has a medium vigour growth habit and is more vigorous than the Lollies. A profusion of large beautiful white flowers cover the plant all Summer

2 This series has a controlled habit which stays compact in smaller pots however when planted into larger pots and hanging baskets it will grow with an impressive flat tight habit. Produces a lush blanket of flowers which cover the plant. Height 10-15cm. Spread 30-36cm

3 Large showy flowers over glossy bronze and green leaves. This variety requires a lower planting density due to its vigorous nature and when planted into beds it will smother weeds. Height up to 80cm

4 Our main Begonia choice for our production of our own garden centre's hanging baskets. This variety has large flowers and continuous flowering during the Summer. Use in large containers and hanging baskets

5 One of our most popular bedding lines. Produces large, fully double flowers up to 10cm in diameter throughout the season. Use in containers, beds, hanging baskets and for landscaping. Stands up to the British weather well

6 Golden yellow flowers cover the plant throughout the Summer. This variety has an upright growth habit. Use in pots, hanging baskets and beds

7 An excellent low-maintenance plant which can be used in beds and in containers. It is very early to flower and has good branching. Produces a mass of small flowers which are attractive to bees and butterflies

8 A top selling cutting raised Geranium, and with good reason. It is a vigorous growing zonal with an XXL temperament. Bright red flowers contrast beautifully against the dark green foliage and strong zoning. The Extra Pink and On Fire have now been improved to match the habit and vigour of the original Tumbao

9 A good Interspecific Ivy variety. It is an extremely uniform and self-cleaning series. An abundance of flowers cover the plants

10 The Curaçao Compact range has an upright, mounding growth habit. The striking colour of Blue Bay can be seen on our 2025 cover as it is a component of Trixi BeeBay. The colourful flowers cover the plant and our trial pots have flowered non-stop, all summer long

11 This is an early flowering variety producing a profusion of large flowers covering the plant. Our trials have shown these will flower from Spring until Autumn. Mounded growth habit with strong, stable stems. Height 25-36cm

12 This series has a naturally controlled habit which stays compact in the pots during production however when planted into larger pots and baskets it will grow and gain in size. Produces a lush mass of flowers which cover the plant to create a tidy but very impressive display. Use in pots, baskets, beds and for ground cover. Height 20-25cm. Spread 25-36cm

13 Incredibly vigorous Petunia bred in the Alps. Suited for flower balconies and hanging baskets due to its vigorous trailing habit. There are new exciting colours available for 2025!

14 Strong branching, medium vigour growth. It has a trailing/semi-mounding habit which is suited to hanging baskets, window boxes and containers. We had both the Compact Blue and Compact Pink in our outdoor trials and they have not stopped flowering all Summer

15 Instant high-quality and colourful plants. Plant in pots, troughs or in hanging baskets. The single species types are easier to grow as all 3 items can be treated the same and tend to have a uniform flowering time

STANDARD CONDITIONS OF SALE

1. INTERPRETATION

1.1 In these Conditions:

"Purchaser" means any person who accepts a quotation of the Seller for the sale of the Goods of whose order for the Goods is accepted by the Seller;

"Goods" means the Goods (including any instalment of the Goods or any parts of them) which the Seller is to supply in accordance with these Conditions;

"Seller" means Pentland Plants, Pentland Nurseries, Loanhead, Midlothian;

"Conditions" means the standard terms and conditions of sale set out in this document and, in so far as they do not conflict with the standard conditions of sale, the Terms of Business set out on page 1 of this Catalogue and (unless the context otherwise requires) includes any special terms and conditions agreed in writing between the Purchaser and the Seller;

"Contract" means the Contract for the purchase and sale of the Goods.

2. BASIS OF THE SALE

2.1 The Seller shall sell and the Purchaser shall purchase the Goods in accordance with any Order Acknowledgement issued by the Seller which is accepted by the Purchaser, or any written or verbal order of the Purchaser which is accepted by the Seller by an Order Acknowledgement, subject in either case to the terms of the Seller's Order Acknowledgement and these Conditions which shall govern the Contract to the exclusion of any other terms and conditions subject to which any such Order Acknowledgement is accepted or purported to be accepted, or any such order is made or purported to be made, by the Purchaser.

2.2 The Purchaser shall be deemed to have accepted the terms and conditions of the Seller's Order Acknowledgement and the conditions unless the Purchaser intimates the contrary to the Seller in writing within two working days of receipt of the Seller's Order Acknowledgement.

2.3 No variation to these Conditions shall be binding unless agreed in writing between the authorised representatives of the Purchaser and the Seller.

2.4 The Seller's employees or agents are not authorised to make any representations concerning the Goods unless confirmed by the Seller in writing.

3. ORDERS AND SPECIFICATIONS

3.1 No order submitted by the Purchaser shall be deemed to be accepted by the Seller unless and until confirmed in writing by the Seller's authorised representative.

3.2 Subject to clause 3.3 below the quantity, quality and description of and any specification for the Goods shall be those set out in the Seller's Order Acknowledgement. The Purchaser shall be responsible to the Seller for ensuring the accuracy of any order (including any applicable specification).

3.3 The Contract is subject to the Goods being available from the Seller's stock at the time of delivery. The Seller reserves the right to make any changes in the specification of the Goods as recorded on the Order Acknowledgement which are unavailable from the Seller's stock so as to substitute the nearest equivalent Goods unless an order is clearly marked no substitutes by the Purchaser.

3.4 No order which has been accepted by the Seller may be cancelled by the Purchaser except with the agreement in writing of the Seller and on the terms that the Purchaser shall pay to the Seller by way of liquidated damages (and without the Seller having to prove loss):-

3.4.1 in the case of cancellation in the period 6 to 12 weeks before delivery 25%;

3.4.2 in the case of cancellation in the period 3 to 5 weeks before delivery 50% and

3.4.3 in the case of a cancellation in the period less than 3 weeks before 90%

in each case of the full price stated on the Sellers Order Acknowledgement and Value Added Tax thereon. Notwithstanding the terms of this condition the Seller shall be entitled to seek further compensation for its loss in unusual circumstances.

4. PRICE OF GOODS

4.1 The price of Goods shall be the price stated on the Seller's Order Acknowledgement.

4.2 The Seller reserves the right, by giving notice to the Purchaser at any time before delivery, to increase the price of Goods to reflect any increase in the cost to the Seller [of producing the Goods] which is due to any factor beyond the control of the Seller.

4.3 All Goods will normally be supplied carriage paid by the Seller except where specifically excluded in terms of the Seller's Order Acknowledgement.

4.4 The price is exclusive of any applicable Value Added Tax, which the Purchaser shall additionally pay to the Seller.

5. TERMS OF PAYMENT

5.1 Subject to any special terms agreed in writing between the Purchaser and the Seller, the Seller shall be entitled to invoice the Purchaser for the

price of the Goods on or at any time after delivery of the Goods, unless the Goods are to be collected by the Purchaser or the Purchaser wrongfully fails to take delivery of the Goods or fails to give the Seller adequate delivery instructions at the time stated for delivery, in which event the Seller may invoice the Purchaser for the price at any time after the Seller has notified the Purchaser that the Goods are ready for collection or (as the case may be) the Seller has tendered delivery of the Goods.

5.2 The Purchaser shall pay the price of the Goods (less any discount to which the Purchaser is entitled, but without any other deduction) within 30 days of the date of the Seller's invoice, notwithstanding that delivery may not have taken place and the property in the Goods has not passed to the Purchaser. The time of payment of the price shall be of the essence of the Contract.

5.3 If the Purchaser fails to make payment on the due date then without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to:

5.3.1 cancel the Contract or suspend any further deliveries to the Purchaser;

5.3.2 appropriate any payment made by the Purchaser to such of the Goods (or the Goods supplied under any other Contract between the Purchaser and the Seller) as the Seller may think fit (notwithstanding any purported appropriation by the Purchaser); and

5.3.3 charge the Purchaser interest (both before and after any decree or judgement) on the amount unpaid, at the rate of 2 per centum per month, until payment in full is made.

5.3.4 In addition if the Customer defaults on payment the Company reserves the right to place the matter in the hands of their debt recovery agents, without prior warning in writing, and shall be entitled to a full reimbursement of any fees or disbursements paid to the debt recovery agent to aid recovery of monies outstanding to the Company.

6. DELIVERY

6.1 Delivery of the Goods shall be made by the Seller delivering the Goods to the Purchaser's address as stated on the Seller's Order Acknowledgement or, if agreed by the Seller, at another place requested by the purchaser, or by the Purchaser collecting the Goods at the Seller's premises at any time after the Seller has notified the Purchaser that the Goods are ready for collection.

6.2 Any dates quoted for delivery of the Goods are target dates only and the Seller shall not be obliged to deliver by said date. If the Seller is unable to deliver on the target date the Seller shall notify the Purchaser of that fact as soon as it becomes apparent. The Goods may be delivered by the Seller in advance of the target date on reasonable notice to the Purchaser.

6.3 Where the Goods are to be delivered in instalments each delivery shall constitute a separate Contract and neither failure by the Seller to deliver any instalment with these Conditions nor any claim by the Purchaser in respect of any one or more instalment shall not entitle the Purchaser to treat the Contract as a whole as repudiated.

6.4 Redelivery charges are applicable.

7. RISK AND PROPERTY

7.1 Risk or damage to or loss of the Goods shall pass to the Purchaser:

7.1.1 in the case of Goods to be delivered at the Seller's premises, when the Seller notifies the Purchaser that the Goods are available for collection; or

7.1.2 in the case of Goods to be delivered otherwise than at the Seller's premises, at the time of delivery or, if the Purchaser wrongfully fails to take delivery, when the Seller has tendered delivery of the Goods.

7.2 Notwithstanding delivery and the passing of risk in the Goods, or any provision of these Conditions, the property in the Goods shall not pass to the Purchaser until the Seller has received in cash or cleared funds payment in full of the price of the Goods and all other Goods agreed to be sold by the Seller to the Purchaser for which payment is then due.

8. WARRANTIES AND LIABILITY

8.1 The varieties comprised in the Goods will correspond with their specification as set out in the invoice at the time of delivery. Beyond this the Goods are sold without warranty, express or implied as to description, quality, productivity or freedom from pest and disease and in particular the Seller will have no liability to the Purchaser for any disease, pest, damage or defect which is not discoverable by reasonable inspection of the Goods at the time of delivery or within a 7 day period thereafter.

8.2 Any claim by the Purchaser which is based on any defect in the quality or condition of the goods or their failure to correspond with specification shall

(whether or not delivery is refused by the Purchaser) be notified to the Seller by annotation of the delivery sheet/despatch note by the Purchaser countersigned by the Seller's delivery agent or (where the defect or failure not apparent on reasonable inspection) by notice in writing to the Seller within 7 days from the date of delivery. If delivery is not refused and the Purchaser does not notify the seller accordingly, the Purchaser shall not be entitled to reject the Goods and the Seller shall have no liability for such defect or failure, and the Purchaser shall be bound to pay the price as if the Goods had been delivered in accordance with the Contract.

8.3 Where any valid claim in respect of any of the Goods which is based on any defect in the quality and condition of the Goods or their failure to meet specification is notified to the Seller in accordance with these Conditions, the Seller shall be entitled to replace the Goods (or the part in question) free of charge or, at the Seller's sole discretion refund to the Purchaser the price of the Goods (or a proportionate part of the price), but the Seller shall have no further liability to the Purchaser.

8.4 The seller shall not be liable to the Purchaser for any consequential loss or damage (whether for loss of profit or otherwise), cost, expenses or other claims for consequential compensation whatsoever (and whether caused by the negligence of the Seller, its employees or agents or otherwise) which arise out of or in connection with the supply of the Goods or their use or resale by the Purchaser.

8.5 The Seller shall not be liable to the Purchaser nor be deemed to be in breach of the Contract by reason of any delay in performing or any failure to perform, any of the Seller's obligations in relation to the Goods, if the delay or failure was due to any cause beyond the Seller's reasonable control.

9. INSOLVENCY OF PURCHASER

9.1 This Clause applies if:

9.1.1 the Purchaser becomes apparently insolvent or makes any arrangement with its creditors, or being a company goes into liquidation whether voluntary or compulsory (otherwise than a voluntary liquidation of a solvent company for the purposes of amalgamation or reconstruction) or being an individual or a firm is sequestered;

9.1.2 the Purchaser being a Company an administration order is made in relation to it or a receiver appointed over any of the property or assets of the Purchaser; or

9.1.3 the Purchaser ceases, or threatens to cease, to carry on business; or

9.1.4 the Seller reasonably apprehends that any of the above events is about to occur and notifies the Purchaser accordingly.

9.2 If this Clause applies then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to cancel the Contract or suspend any further deliveries under the Contract without any liability to the Purchaser, and if the Goods have been delivered but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.

10. PLANT BREEDERS RIGHTS

10.1 The Purchaser will not use the Goods other than for flower production without the prior written consent of the owner of the plant variety concerned and in particular the Purchaser shall not use the Goods for the propagation of legally protected varieties unless the Purchaser holds a licence from the owner of the plant variety concerned.

10.2 No plant material comprised in the Goods will be sold on by the Purchaser except under the relevant variety name or trade name.

10.3 If the Purchaser finds a mutant in the plant variety forming part of the Goods the Purchaser will inform the Seller forthwith in writing and make its offspring available for viewing and/or testing purposes to the Seller or to the owner of the breeder's rights free of charge.

10.4 The Purchaser shall give to the Seller or owner of the breeder's rights in any variety forming part of the Goods access to the Goods at any time in order to check their use.

10.5 The Seller shall be entitled to charge an additional royalty charge over and above the price in respect of all legally protected varieties.

10.6 The Purchaser shall indemnify the Seller in respect of any loss, injury or damage caused as a result of violation by the Purchaser of the plant breeder's rights.

11. GENERAL

11.1 The Seller and the Purchaser agree that if any of these conditions are found to be unenforceable then only such clause or part of a clause as is unenforceable shall fail and the remaining clauses will stand separately and remain enforceable.

11.2 This Contract shall be governed by the Law of Scotland.
